

AmberPro[®]

Vital Wheat Gluten

Applications: Breads, Snacks, Pasta, Pet Food, Specialty Feed, Meat Alternatives

AmberPro[®] Vital Wheat Gluten adds consistent

- texture
- structure
- nutritional protein

to many favorite products and baked goods.

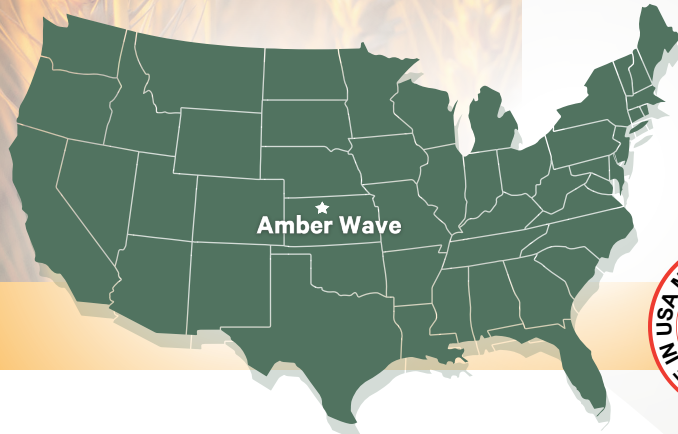

State-of-the-Art

Our newly commissioned facility is North America's largest wheat protein production facility. Our integrated operations make full use of the wheat kernel and reduce dependence on international suppliers.

Local

Characteristics

- Free-flowing powder
- Neutral taste
- Easy to handle
- High in protein (min. 75%)
- Available in 50 lb bag, 2,000 lb tote, and bulk

We are a domestic supply chain solution, and proud to say **MADE IN THE USA.**
